Dear Linda,

Your 2016 Key Stage 2 Results

We are writing to congratulate you, your staff and everyone connected with St Joseph's Catholic Primary School, but most of all the children, on the truly outstanding Key Stage 2 SATs outcomes for your school in 2016.

Your school is in the top 25% of schools nationally for combined progress across Key Stage 2 in reading, writing and mathematics. This is a significant achievement and reflects the good and outstanding teaching the children are enjoying in your school.

We never underestimate the significant role that you, as Headteacher of St Joseph's Catholic Primary School, play in bringing about such outcomes for the children. We know that schools are complex and dynamic places, but we have no doubt the quality of the leadership of the school is the biggest factor in determining success for the children.

We felt it important to write to you at a time when there are so many external pressures on schools and to thank you for your resilience and determination in ensuring the children in your school receive the very best educational start we can possibly give them.

We wish you continued success in 2017.

Yours sincerely,
